EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Paul Farrell on 9/30/05.

The following changes to the drawings have been approved by the examiner and agreed upon by applicant:

Figure 1 has been labeled with "Prior Art".

In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, Prior art fails to disclose the IAD for receiving the compressed voice signals on the downlink voice channels and data on the downlink channels and decompressing the received voice signals and the received data and building a TDM frame including the voice signals and the data and transmitting the TDM frame including the voice signals and data using a two-wire telephone line to corresponding adapters coupled to respective telephones and computers, and transmitting voice signals and data generated from the telephones and the

computers to the MACS on corresponding uplink voice channels and data channels in response to the received voice signals and data in combination with other limitations set forth in the respective claim.

Regarding claim 19, a first and second adapters respectively connected to the telephone and computer transmitting voice and data on a corresponding TDM channel in a TDM frame via a telephone line and a home master receiving the TDM frames, separating the voice data and the data, compressing the received voice data and data received in the TDM frame and transmitting the data in a compressed format via a general subscriber line in combination with other limitations set forth in the respective claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chirag G. Shah whose telephone number is 571-272-3144. The examiner can normally be reached on M-F 8:30-5:00.
